

HOW TO PAINT...

SENJUTSU

BATTLE FOR JAPAN

RONIN

Before you start, you will need to undercoat your model with a Primer spray. You can use any spray from Colour Forge range but to follow this guide exactly you should use Wight Bone.

THIS CHART WAS MADE SO THAT YOU ARE ABLE TO FOLLOW ALONG WITH DUNCAN AND ROSS ON VIDEOS FROM BEFORE. WE CAME OUT WITH TWO THIN COATS PAINTS, AND SO THAT THOSE OF YOU WITHOUT TWO THIN COATS CAN FOLLOW ALONG IN FUTURE TUTORIALS. BECAUSE ALL PAINTS HAVE DIFFERENT VALUES, CONSISTENCIES AND WEIGHTS, THESE AREN'T EXACT MATCHES BETWEEN PAINT BRANDS, YOUR MODEL MAY END UP LOOKING DIFFERENT FROM THE ONE THAT DUNCAN PAINTS!

*Our conversion chart is for fans of the DORR who may not have every Two Thin Coats color. With the chart you can follow along with the tutorials using your Citadel or Army Painter paints. This unofficial chart is not endorsed by Games Workshop Ltd or The Army Painter App. © TRANSLANTIS GAMES 2022 © DUNCAN RHODES PAINTING ACADEMY 2022

SENJUTSU

BATTLE FOR JAPAN

STEP 9

Paint the base in Dust Bowl (note in the photo the arrow feathers have Step 10's wash, and the red highlights from step 11 - got ahead of myself, Painter's habit!)

STEP 10

- Apply Flesh Wash on the skin and gold parts.
- Apply watered down Battle Mud Wash on the sash and all the red armour and unwatered down on the base.
- Apply Oblivion Black on the blade.

STEP 11

Highlight the red parts with Sanguine Scarlet.

STEP 12

Edge highlight the red with Demon Red.

SENJUTSU

BATTLE FOR JAPAN

STEP 13

SENJUTSU

BATTLE FOR JAPAN

STEP 17

Highlight the undershirt and spear haft with Death Reaper.

STEP 18

Edge Highlight the undershirt and spear haft with Dungeon Stone Grey.

STEP 19

Highlight the skin with Dwarven Skin.

STEP 20

Edge highlight the Skin with Elven Skin.

SENJUTSU

BATTLE FOR JAPAN

STEP 21

Re-highlight to redefine the sash and dry brush the feathers of the arrows on the base with Carcharodon Grey.

STEP 22

Edge-highlight the sash and dry brush the feathers of the arrows on the base and block in the facing arrow on the base with White Star.

STEP 23

Highlight the steel on the naginata with Mythril Blade.

STEP 24

Paint the base rim with Doom Death Black, paint the black lacing on the sandals with the same colour. Add grass of your choice to finalise the base, any static grass or flock will do, I also added a few tufts as I think they bring a grassy base to life!
